# The good Muslim spy

Following the military tactics of genocidal Islam, Muslim radicals interrupted reverential 9/11 memorial services in New York and other venues honoring the 3,000 Americans killed 11 years ago. To rub salt into America's wounds these savages have precipitated the following events throughout the world:

- On 9/11 U.S. Ambassador to Libya J. Christopher Stevens, two Marines and an embassy staffer were killed in a coordinated attack in Benghazi. Ambassador Stevens was reportedly sodomized before he was brutally killed by the mob. Obviously, information that he was present at the Benghazi mission was compromised.
- Egyptian demonstrators climbed the walls of the U.S. Embassy in Cairo on 9/11, pulled down the American flag and replaced it with a Muslim Brotherhood black flag to protest a film they say is insulting to the prophet Muhammad. Remember, in 2011 America fought an overt war in Libya and covert war to rid Egypt of the hated dictators Gadhafi and Mubarak, only to allow the terrorist Muslim Brotherhood to seize power in both countries.
- Regarding Israel's desperate plight to meet with the president regarding Iran before the mullahs obtain nuclear weapons and "wipe Israel off the map," Obama is too busy campaigning in Vegas for cash and going on the David Letterman show, partying in New York with Jay-Z and Beyonce and a radio interview with "The Pimp with a limp."

Here is Obama's staff's pathetic statement of appeasement as protesters scaled the wall of the embassy: "The Embassy of the United States in Cairo condemns the continuing efforts by misguided individuals *to hurt the religious feelings* of Muslims – as we condemn efforts to offend believers of all religions." [Emphasis added.] Obama blames the moviemakers!

Despite global Islamic jihad against the West, Jews and Christians, there is a Muslim hero I wish to pay tribute to: Dr. Shakil Afridi, a CIA informant jailed and tortured by the Pakistani intelligence agency (ISI) for his role in helping America and Obama successfully hunt down Osama bin Laden.
